An icon at the edge of the harbour

The “sails” of Inntel Hotels Den Haag Marina Beach shine against a backdrop of sea and beach. It is the place-to-be for a healthy dose of Vitamin Sea. From the 226 luxury rooms you have a magnificent view over the harbour and city of The Hague. Various sport activities, relaxation and the centre of Scheveningen are all within walking distance due

to the unique location by the beach. Grab a moment of pure relaxation in Spa Flow with an infinity pool, steam bath, sauna and various (beauty) treatments. The outside terrace gives you the opportunity to lounge by the sea and enjoy the dishes of Bar & Brasserie Willem I.

Meetings & Events

Located directly at the coastline of Scheveningen, Inntel Hotels Den Haag Marina Beach is the perfect location for meetings, brainstorm sessions and teambuilding activities. Our team is available to discuss all the possibilities with you.
